Walled Garden access

As a City & Guilds approved centre you will be eligible to use our online administration tool, Walled Garden, which will enable you to carry out a wide range of functions such as ordering publications, registering & entering learners for examinations, etc.

Please contact my colleague Ronald Muzila on krystle.daley@cityandguilds.com in order to obtain access to Walled Garden.

City & Guilds Quality Academy

The Quality Academy is the home of a range of e-learning courses we have developed to help our centres understand everything they need to know to deliver vocational qualifications to the highest standards.

The Quality Academy courses are available free to all our approved centres, and can be accessed by any member of staff involved in the delivery of City & Guilds qualifications. Self-registration for staff in an approved centre is available at:
